Plus \$60/hour file preparation fee (Digital files need to be adjusted on a calibrated monitor for optimum printing)

You receive a set of cds with all the images taken at the wedding in full resolution. Depending on your wedding we average between 200-300 images.

(applies to the peak wedding months of April, May, June, July, August, September, and October)

Express Prime Time Base fee- \$400 this fee reflects how high the demand for wedding photography is that a certain time of the year.

Plus Hourly rate - \$125/hour (determined from the time we are scheduled to start taking photos until we leave your wedding. Minimum hours - 3

Plus \$60/hour file preparation fee (Digital files need to be adjusted on a calibrated monitor for optimum printing)

You receive a set of cds with all the images taken at the wedding in full resolution. Depending on your wedding we average between 200-300 images.

How to calculate your package costs? Lets say you are having an April wedding. Your base fee is \$400. You want photos at the wedding and reception for a total of 7 hours. You multiply 7 x 100 for \$700 hourly fee. File preparation is another \$420. If you add these up the total cost is \$1875.

Payment Schedule : *A \$250 retainer is required to hold the date. This retainer applies to an order. The rest of you package cost is due 2 weeks before the ceremony plus applicable sales tax.*
